

ALL STAGE CANINE DEVELOPMENT

KID'S COURSE

A six week course to teach children how to create a bond with their dog. Each class is 1.5 hours long and occur once a week for the six weeks.

This educational program will allow children to learn how to create a bond with their dog, understand their dog's body language, make creative toys and tool that they can take home, be provided worksheets, learn what enrichment can help their dog, and much more!

Dogs that come in for class must be dog and kid friendly

Must bring a bed, treats, 2 toys such as a no-hide or a stuffed kong, a source of water, and a 6 foot nylon leash
